November 30th.
final information will
nced at a later date.

Plans for a Community Thanksgiving Worship Service have been made. Clergy from five local churches got together last Friday at the Appomattox Court House Presbyterian Church for coffee and planning. The service will be held at Liberty Baptist Church, Wednesday evening, November 21st. Shown above, left to right, are Rev. J. J. Bowman, Intermin Pastor at Liberty Baptist; Rev. Cecil V. Dalton, pastor at Appomattox Court House Presbyterian Church; Rev. E. Moray Peoples, Jr., St. Anne's Episcopal Church; and Rev. Henry E. Riley, Jr., Pastor at Memorial United Methodist Church, planning for the event. The Rev. Deryl B. Holliday, pastor of New Hope Baptist Church, was not present when the picture was made. Not only were plans made for this joint Service, but it is reported that several "tall tales" got told!

Community Thanksgiving Worship Planned

Five area pastors and their congregations will worship together. The occasion is Thanksgiving 1973.

The Worship Service will be held at Liberty Baptist Church on Wed., Nov. 21st, beginning at 7:30 p.m. The Appomattox community is welcome. The hope is that the community might discover anew its common-unity in and through the Worship of Almighty God.

In addition to Liberty Baptist, the congregations of New Hope Baptist, Court House Presbyterian, St. Anne's Episcopal, and Memorial United Methodist will take part.

A community adult choir is under the direction of the host church. Anyone wishing to participate in the choir may contact Mrs. Joyce Vaughan.

Ministers from each of the churches will take a part in the Service. Mr. Bowman will officiate, Mr. Dalton is to read from the Scriptures, Mr. Holliday will offer prayers, Mr. Riley will lead in a responsive reading and Mr. Peoples will preach.

Last year this Service was attended by approximately two hundred worshippers.

November 6th Bloodmobile Visit Big Success

When the Red Cross Bloodmobile made its visit to Appomattox on Tuesday, November 6th, we were really in trouble. Our county had to get 95% of the quota of a total of 148 units of blood in order to not be placed on probation.

It seems that when the people of this county get behind a cause as worth while as this one, our people can really get a job done. And this job really got done...a total of 155 units of blood was donated at Appomattox during the hours of noon to 6 p.m. and that is a lot of blood.

At this visit an 8 gallon pin was given to Newton Jennings; Ben Marshall received a 4 gallon pin; three gallon pins went to Howard E. Ferguson, Leslie Nash and Sam Ferguson III; two gallon pins went to Geraldine Moore, Avis Rosetta Evans and Clyde Mayberry; and Carolyn Dickerson, Robert McClenny and Robert Holt each received one gallon pins.

First time donors at this important visit were: Jannis Burns, Glenda Hackett, Martha Hudson, Jean Garrison, Loretta Mayberry, Sharon Jones, Winfred Hamlett, William Hancock, Steven Ashworth, Brad Almond, Jane Revely,

Donations Needed For Firemen

Your donations are needed for the Appomattox Volunteer Fire Department. According to Mr. Paul Drinkard, one of the volunteers collecting funds for the firemen, donations have been quite slow coming in this year.

You are urged to make your donation to the Appomattox Volunteer Fire Department as soon as possible. Send in contributions to either Mr. Paul Drinkard or Mr. James R. Ford, Jr., who are collecting for this worthy cause.

Your donations will be used to give the firemen a dinner and a Christmas bonus and will be a way of saving Thank You for their time and energies spent in the way they assist the people of the town and county when needed.

Lions Club To Meet Tonight

The Lions Club of Appomattox will meet tonight (Thursday) at the Parkway Restaurant at 6:45 p.m.

A presentation by Dr. W. P. Geisler is among the highlights planned for the meeting. Since sight conservation is a major objective of the Lions program of activities, this meeting with Dr. Geisler's talk on the subject will be a most interesting one for all members.

Will Not Approve Future Out-Of-County Trips

With the opening of the new high school in September of 1974, the School Board of Appomattox County meeting in regular session on Friday afternoon in the office of the School Board adopted a plan for the organization of Appomattox County Schools for the 1974-75 school session.

There will be five public schools to open for the 1974-75 school session. They will be the Appomattox Primary School, Pamplin Elementary School, Appomattox Middle School, and the new Appomattox Senior High School.

In September of 1974, an estimated 445 students in Kindergarten through Second Grade will be enrolled in the Appomattox Primary School as opposed to an enrollment now of 818 pupils. At Pamplin Elementary School in Kindergarten through the Seventh Grade, the present enrollment is 191 pupils this session and in the 74-75 school session the 7th grade will be moved to Appomattox. 4 there will be an estimated en[illegible]ment of 157 [illegible] Pamplin Elementary Sch...

Lloyd Walton, Division Superintendent of Appomattox County Schools, informed the board members that he had appeared before the Board of Supervisors that morning to make them aware of the financial status of the schools.

Superintendent Walton also informed board members that he had requested all principals to concerve energy in every way possible. Upon the recommendation of the Superintendent, board members voted not to approve any school trips in the future out of the county in an effort to save gasoline.

Board members heard reports on the Standards of Quality and the progress being made from Eugene Peyton, Director of Instruction; Mrs. Patricia Torrence, Principal at Appomattox Primary School; Cecil Tillery, Jr., Principal at Appomattox County High School; Mrs. Barbara Waddell, Principal at Pamplin Elementary School; Daniel Davis, Principal at Appomattox Intermediate School; and from Richard Carter, Supervisor of Vocational Education.

From the reports heard, board members and Superintendent Walton were pleased with the apparent progress at all schools in both the efforts to increase efficiency of school management and the effectiveness instruction. With good students and good teachers working with them under excellent supervision, the Appomattox County Public School system is progressing and is meeting the needs of all students.

Supervisors Approve Appointment Of Extension Agent For County

Mr. Charles Perkins, District Agent, East Central District, appeared before the Board of Supervisors of Appomattox County in their meeting on Friday, November 9th, to recommend Mr. Cornell Goldman to fill the position of Extension Agent thus filling the vacancy that occured due to the death of Mr. G. L. James in September of 1972.

After consideration the board agreed to go along with the recommendation of Perkins and agreed to draw up a resolution to this effect.

Mr. Goldman, a native of Cullen, Virginia, is a graduate of Virginia Polytechnic Institute and has been working in Extension service for six months, employed in Lunenburg County. He has spent most of his time working with young people in 4 H activities but has also worked with farmers and is familiar with farm work.

Mr. Goldman will assume his duties as Extension Agent in Appomattox County on December 1st. He will be spending about 50% of his time on 4-H work and will be doing landscaping and some work with low income housing if requested. He hopes to help educate people as to how to live within their means, not to build a $30,000 house on a $3,000 farm. He will also be doing some work with farmers, part time gardners and work with livestock.

He is married and has one child. Mr. Goldman will be moving to Appomattox as soon as he can find housing. He comes to this county on a very high recommendation.

In other business before the board, a representative from the Appomattox County Health Department appeared before the board to present them with a check in the amount of $1,751.00. This check represents operation funds allocated to the Health Department and not used during the 1972-73 year.

Sam Kerr, attorney, presented to the board for approval a prepared Uniform Statewide Building Code ordinance that is to take effect by December 1st.

The Board of Supervisors set November 27th at 7:30 p.m. at the Clerk's office as a time and place to adopt the ordinance.

Lloyd Walton, Division Superintendent of Appomattox County Schools, appeared before the board to inform them of the financial status of the school system.

Bill Slagle, Administrator of the Appomattox County Sanitary Landfill, informed board members that the well at the Landfill had been dug and there was an excellent supply of water there.

In other business the board approved the purchase of a tool box costing $125.00 to be put on the truck used by Steve Bowling, Building Inspector for Appomattox County.

The Pamplin Volunteer Fire Department requested that they be included in the "Line of Duty Act" that was approved by the Board of Supervisors for the Appomattox Volunteer Fire Department and the Appomattox County Rescue Squad. The board voted to approve the request.

In other business, R. L. Bass, R. A. Sears, C. S. Booth, J. H. Ranson, Richard Hamilton, and H. T. Nash, Alternate, were approved by the board to serve as members of the Building Code Review Board.

Receive Three Fire Calls

Volunteers of the Appomattox Fire Department received three calls during the week of November 5th.

All three calls came in on Friday, November 9th. At 4:00 p.m. two trucks and 8 men responded to a call for a fire but could not locate the fire. At 4:10 p. m. they responded to a call for an oil stove fire. Four trucks and 12 men answered this call and only slight damage was reported. At 9:35 p.m. two trucks and 12 men answered a call for a house fire. Only minor damage was reported.

November 23 Country Music Lovers

This year's country music festival will be better than ever as the talent will largely consist of winners from other contests around the state.

It promises to be a night of lively entertainment consisting of old and new favorites in the country and blue grass field. To ad to the excitement the well know Partyimers will be the house band furnishing some of the music that made them popular.

As usual the Jaycees will be selling tickets in advance at a savings so buy early and be assured of a seat November 23rd at 7:30 p.m. at the Appomattox County High School Auditorium. Incidently, rumor has it that the "Bluegrass Boys" are tuning up and getting ready to be better, funnier, and louder than ever.

Do yourself a favor, Luy a ticket now, you'll be glad you did and so will the under-privileged children of the county.

Daniel To Speak To Legion Auxiliary

On November 19, at 6:30 p.m. at the American Legion Building, the American Legion Auxiliary Unit 104 will hold a covered dish dinner at which time a group of high school students under the direction of Mrs. Karen Gibson will sing and the Honorable W. C. "Dan" Daniel, Representative of the 5th Congressional District, will be the guest speaker.

Honorable W. C. Daniel

Congressman Daniel is a past Department Commander and a Past National Commander of the American Legion. It is hoped that all Auxiliary members and all Legion members and their wives will bring a dish or two and join in for this meeting.
